

Alabama Tinting Regulations

Passenger Cars and Station Wagons

- **ONLY** the upper six inches of the front windshield may be tinted. (MATERIAL APPLIED MUST BE TRANSPARENT)
- **ALL OTHER** windows (sides and rear) may have tinting that allows at least 32% light transmission with a 3% tolerance.
- Reflective material may not reflect more than 20% of light.

Multi-purpose Passenger and Recreational Vehicles

- **FRONT WINDSHIELD** and **FRONT SEAT** windows are subject to the same restrictions as passenger cars and station wagons.
- On the windows **BEHIND** the driver, darker tinting is permitted as allowed by the manufacturer of the vehicle by Federal law.
- Outside rearview mirrors on **EACH** side of the vehicle are required when the darker tint is installed.
- **MANUFACTURER** determines classification of vehicle.

ALABAMA'S WINDOW TINTING REGULATIONS

All vehicles registered in the State of Alabama must comply with Alabama's window tinting law, Act. 96-534, effective August 15, 1996.

TITLE 32, MOTOR VEHICLES AND TRAFFIC, CHAPTER 5C

MEDICAL WAIVERS (32-5C-4)

You may apply for an exemption from this chapter for certain medical conditions. Certification must be made by your physician. *The exemption may be issued with the conditions and limitations prescribed by the Department of Public Safety.*

COMPLIANCE STICKERS (32-5C-6)

All new tinting and vehicles with existing tinting, that meets the standards, must display a visible sticker/label of compliance. These stickers/labels must be affixed by a tinting dealer. *No person shall install any material on the windshield or windows in violation of 32-5C-2.*
